RE: Friends of Rosa DeLauro  
FEC ID No. C00238865]  
July Quarterly Report (4/21/10 6/30/10)

Dear Ms. Hannan:

This is in response to your letter dated September 21, 2010, requesting additional information from the Friends of Rosa DeLauro ("the Committee"). You asked for information on two items, each of which is addressed below in turn.

1. You asked that the Committee address the issue of a 48-hour notice not being filed in the pre-convention period for an in-kind contribution in the amount of \$2,000. While we require all agents for the Committee to notify our office finance staff upon receipt of all contributions, whether by check or in-kind, during the 48-hour pre-election disclosure periods, this was not done by a new campaign worker.
2. You asked why the Committee disclosed an increase in the amount of debts from the original report on an amended report. It is the policy and practice of this Committee to pay all invoices upon receipt, or on or before the last day of a FEC filing period, whichever comes first. The debts in question were again in the hands of a new campaign worker who did not notify the office finance staff of their existence. The Committee discovered this omission and made the correction with no prompting from any external parties.

We sincerely regret these oversights as they are not typical of our recording keeping or reporting practices during the 20 years this Committee has been in existence. Should you have any questions or need additional information, please contact the undersigned.

Sincerely,

Patrick Charmel, Treasurer
